

ORDINANCE NO. 10-O-0071

**AN ORDINANCE AMENDING AND RESTATING
CHAPTER 9, ARTICLE VI, OF MUNICIPAL CODE OF THE CITY OF
WEST CHICAGO, ILLINOIS, SOLICITORS, WITH RESPECT TO
THE LEAVING OF ADVERTISING MATERIAL ON RESIDENTIAL PREMISES**

WHEREAS, the City of West Chicago ("City") is a municipal, corporation established and existing under the laws of the State of Illinois pursuant to the Illinois Municipal Code, 65 ILCS 5/1-1-1 *et seq.*; and

WHEREAS, further, the City is a home-rule municipality pursuant to Article VII, Section 6, of the Constitution of the State of Illinois of 1970, and, subject to the specific limitations of Illinois law, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is empowered, pursuant to Sections 11-42-5, 11-60-1, and 11-60-2, 65 ILCS 5/11-42-5 11-60-1, and 11-60-2, and its home-rule authority to regulate, license, and abate within its boundaries the hawking, peddling, and other promotion of goods and services through door-to-door solicitation for the security, welfare, and comfort of its residents; and

WHEREAS, pursuant to such authority, the City has adopted and has in effect a solicitor ordinance, codified at Article VI, Chapter 9, of the Municipal Code of the City of West Chicago, Illinois ("Code"), which regulates door-to-door solicitations of goods and services by, among other mean, allowing residents individually, through a posted notice, to restrict or prohibit solicitors from calling upon them to offer goods and services; and

WHEREAS, the City's attention has been called to the annoyance, intrusion, and litter nuisance being created by door-to-door solicitors who do not attempt to call upon residents, but who leave on their property leaflets, flyers, cards, door tags, advertisers, advertising newspapers or other advertising or promotional materials for goods and services not wanted by residents; and

WHEREAS, the leaving of leaflets, flyers, cards, door tags, advertisers, advertising newspapers or other advertising or promotional materials for unwanted goods and services is not subject regulations under the City's current Solicitor Ordinance; and

WHEREAS, the City believes that residents should enjoy the same ability to control the leaving of such materials on their property presently afforded them under the Solicitor Ordinance in regard to being called upon by solicitors; and

WHEREAS, the City therefore finds and determines that it proper and necessary, for residents' security and enjoyment of the privacy of their residences and to reduce the nuisance of litter from unwanted promotional materials, to amend the Solicitor Ordinance to regulate the leaving leaflets, flyers, cards, door tags, advertisers, advertising newspapers and other advertising or promotional materials for unwanted goods and services on residential property through the posting of notice and other means,

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of West Chicago, duly assembled in regular session, as follows:

SECTION ONE: The foregoing recitals are hereby incorporated by reference as if fully set forth herein.

SECTION TWO: Chapter 9, Section 9-96 of the Municipal Code of the City of West Chicago, Illinois, be amended by the addition of the following:

Advertising materials shall mean and include all leaflets, flyers, cards, door tags, advertisers, advertising newspapers or other advertising or promotional materials offering or promoting the sale or purchase of goods, wares, merchandise, foodstuffs, insurance and/or services of any kind, character or description; or soliciting gifts or contributions of money, clothing or other valuable things for the support or benefit of any charitable or nonprofit association, organization, corporation or project; or selling or soliciting subscriptions to books, magazines, periodicals, newspapers or other type or kind of publication. *Advertising materials* shall *not* include books, magazines, periodicals, newspapers consisting of noncommercial speech, even though they may incidentally contain advertising or other commercial speech; religious or political tracts and pamphlets or election campaign literature; or telephone directories of classified listings of products and services, commonly known as "yellow pages."

SECTION THREE: The definition of *Soliciting* in Chapter 9, Section 9-96 of the Code be amended and restated as follows:

Soliciting shall mean and include any one (1) or more of the following activities regardless of the method used, including the leaving or placing of advertising materials on any part of the premises, including the parkway between the sidewalk and road or street thereof:

- (1) Seeking to obtain order for the purchase of goods, wares, merchandise, foodstuffs, services of any kind, character or description whatever, for any kind of consideration; or
- (2) Seeking to obtain prospective customers for application or purchase of insurance of any type, kind or character; or
- (3) Seeking to obtain gifts or contributions of money, clothing or any other valuable thing for the support or benefit of any charitable or nonprofit association, organization, corporation or project; or
- (4) Seeking to obtain subscriptions to books, magazines, periodicals, newspapers and every other type or kind of publication; or

(5) Going upon any premises and ringing the door bell, knocking, upon or near any door, or creating any sound in any manner that is calculated to attract the attention of an occupant or owner for the purpose of engaging in any of the activities described above in this definition of solicitation.

SECTION FOUR: Chapter 9, Section 9-97, of the Code be amended and restated as follows:

Every nonexempt solicitor desiring to engage in soliciting from persons in residences as described in paragraph (5) of the definition of *Soliciting* in Section 9-96, Definitions, hereof within this municipality is hereby required to make written application for a certificate of registration, except as provided for in section 9-100 herein.

Exemption. A person age seventeen (17) and under, who is participating in fundraising programs for, or sponsored by a public or private elementary or high school or bona fide children's organization including, without limitation, Boy Scouts, Girl Scouts or youth sports, is not required to obtain a certificate of registration hereunder. All persons who qualify under this exemption shall be referred to as exempt solicitors. Also exempt from obtaining a certificate of registration hereunder are all persons or groups who are not soliciting funds, and those groups whose primary purpose is not the solicitation of funds, for any purpose in their canvassing, political campaigning, surveying, proselytizing, or door-to-door advocacy, and are not attempting to sell or promote any goods or services, as more fully set forth in section 9-96. All such persons are not solicitors and are not required to register hereunder.

SECTION FIVE: Chapter 9, Section 9-99.1 of the Code be amended and restated as follows:

Upon issuance of a certificate of registration under the provisions of this article, every person who engages in soliciting within the City of West Chicago and who is required to register for that purpose shall carry said certificate at all times while soliciting and display it to any person who is approached for the purpose of soliciting under the terms of this article.

SECTION SIX: Chapter 9, Section 9-101 of the Code be amended and restated as follows:

Every person wanting to secure the protection provided by the regulations regarding soliciting contained in this article shall comply with the following requirements:

1. A person who desires to invite no solicitors on his or her residential premises shall post a notice substantially in conformity with that in Exhibit "A" attached to this Chapter 9. A person who desires to invite on his or her residential premises only solicitors having been issued and in possession of a certificate of registration issued by the City of West Chicago as provided herein shall post a notice substantially in conformity with that in Exhibit "B" attached to this Article VI.

2. The notice shall be weather-proof. For a single-family residence or apartment, condominium or other residential unit within a multi-family residential building which has an outside entry on the front side of the structure that provides direct access to the unit, the notice shall be posted in the front of the property within thirty (30) feet of the street curb, or if no curb, within thirty (30) feet of the edge of the street pavement, on the side nearest the structure, or if there is no street in the front of the unit, within twenty (20) feet of the nearest edge of any sidewalk that is parallel to front side of the unit. The notice shall be placed so that it faces the said street or sidewalk, if there is no street in front of the unit, and shall be completely visible and unobscured by any vegetation. Where the residence is an apartment or other type of residential unit that has no outside entry on the front side of the structure which provides direct access to the unit, a notice substantially identical to that in Exhibit "A" or "B" but not less than one-quarter (1/4) of the dimensions stated there shall be posted adjacent to the U.S. Mail box or slot for said apartment or unit so that it is immediately visible at said mail box or slot. A notice placed in conformance with this paragraph shall constitute sufficient notice to any solicitor of the determination of the residence's occupant regarding receipt of solicitations.

3. Notices as authorized by this section may be provided by the Chief of Police or his/her designee to persons requesting them, at the cost thereof. However, no notice that otherwise conforms to this section shall be deemed defective or invalid because it was not provided by the Chief of Police or his/her designee.

4. Every person who shall post a notice pursuant to this section shall also submit to the City, on such forms as the City may provide, his or her name, the address of the residence to be protected, and the kind of notice, as provided in Paragraph 1 (a), that will be given to solicitors. From such information submitted to the City, the City shall compile a list of addresses of all protected residences and the kind of restriction on solicitation in the notice for each such residence, and shall make such list available to all persons interested in acquiring such.

4. Only persons actually occupying the premises as their personal residence are authorized to give the notice provided for herein. No person having an interest in any premises, including any landlord or absentee owner who does not occupy the premises as his or her residence, shall be authorized to give such notice. Where a residence is part of a multiple unit structure, such as an apartment building or townhouse, the notice shall only apply to the unit for which it is given.

SECTION SEVEN: Chapter 9, Section 9-102 of the Code be amended and restated as follows:

It shall be the duty of every solicitor, whether registered or exempt, upon going onto any premises in the municipality upon which a residence as herein defined is

located, to ascertain whether any of the notices provided for in section 9-101 are present on the premises and, if so, then be governed by the statement contained on the notice. If the notice states "REGISTERED WEST CHICAGO SOLICITORS ONLY," then only a solicitor required to possess and possessing a valid certificate of registration may solicit on such premises and all solicitors not possessing such certificate, including those only intending to leave advertising materials, shall immediately and peacefully depart from the premises. If the notice states "NO SOLICITATIONS," then every solicitor, including an exempt solicitor, shall immediately and peacefully depart from the premises.

Any solicitor or exempt solicitor who goes upon the premises of or has gained entrance to any residence, whether invited or not, shall immediately and peacefully depart therefrom when requested to do so by any occupant or the agent of the occupant.

No solicitor shall engage in soliciting by means of projecting, throwing, tossing, dropping, or otherwise placing upon any premises any advertising material which is affixed to a stone, piece of metal, wood, or other material intended to facilitate its placement on the premises or to keep it in the position where placed.

SECTION EIGHT: Chapter 9, Section 9-103 of the Code be amended and restated as follows:

It is hereby declared to be unlawful and shall constitute a nuisance for any person to go upon any premises and leave thereon any advertising materials in a manner prohibited by this article VI, or to go upon any premises ring the doorbell upon or near any door, or create any sound in any manner calculated to attract the attention of the occupant of such residence, for the purpose of securing an audience with the occupant thereof and engage in soliciting as herein defined, in defiance of the notice exhibited at the residence in accordance with the provisions of this section.

SECTION NINE: Chapter 9, Section 9-105 of the Code be amended and restated as follows:

In addition to the provisions contained herein regarding license revocation, the violation of any provision of this article VI shall result in a fine of not less than two hundred fifty dollars (\$250.00) and not more than seven hundred fifty dollars (\$750.00). Each act of soliciting in violation of this article VI, including each act of leaving advertising materials in a manner prohibited by this article VI, or entering upon any premises and ringing the door bell, knocking upon or near any door, or creating any sound in any manner to attract the attention of an occupant or owner in violation of this article VI, shall constitute a separate offense. All persons who enter upon any premises for the purpose of soliciting in violation of this article VI, or who publish or distribute in any advertising materials left on any premises in violation of this article VI or offer goods, products, merchandise, services, insurance or subscriptions or solicit gifts, contributions, or donations in such advertising materials shall be jointly and severally liable for such offense, whether they knew of or intended such offense.
